Mr. V. K. Krishnankutty *(Ezhuvas-Trichur):* I suppose, the President has understood the meaning of my question.

Mr. President : Has there been any instance like that ?

Mr. V. K. Krishnankutty *(Ezhuvas-Trichur):* Yes.

Mr. President : Was she refused admission ?

Mr. V. K. Krishnankutty *(Ezhuvas-Trichur):* She was refused medical certificate. What happened was, a girl was studying in the IV and V form in Trichur and for her S.S.L.C. she came here. She could not produce the medical certificate from the school in which she last studied, since the medical examination was conducted at Trichur while in the IV form. This inconsistency should be removed.

Mr. President: Was that rule applied in the literal sense and admission refused ?

Mr. V. K. Krishnankutty *(Ezhuvas-Trichur):* The question is not whether admission was refused, but there is a rule which cannot be enforced.

Mr. President: Your complaint is about the language used in the application form.

Mr. V. K. Krishnankutty *(Ezhuvas-Trichur) :* Medical examination is not held every year.

Mr. A. B. Salem *(Mattancheri):* Was this girl refused admission ?

Rao Sahib I. N. Menon *(Director of Public Instruction):* No.

Mr. A. B. Salem *(Mattancheri):* Did she produce the medical certificate ?

Rao Sahib I. N. Menon *(Director of Public Instruction)* : I have no information.

Mr. V. K. Krishnankutty *(Ezhuvas-Trichur):* My point is, if a rule is not followed, why not abolish that rule ?

Mr. President: If there is anything defective in the rule, we expect the Principal to use his discretion and common sense in applying it properly.
